Thanksgiving lunch for Midlands agents
11/29/2009 12:00:00 AM

Last week saw the US Travel Association and its partners host over 30 travel agents based in the West Midlands at a special event at Birmingham International Airport and an intimate Thanksgiving lunch with Tour Operators, Airlines and Media Contacts in London.

Destinations including Colorado, Utah, Missouri, Great Lakes of North America, Dream Car Holiday and other destinations hosted an American inspired luncheon and training workshop at the Birmingham Airport at which the agents were offered the chance to win spot prizes and the grand prize of a Thanksgiving inspired hamper.

Yolanda Fletcher, Marketing Director at Cellet Travel Services said "This is the first time such an event has been held for agents in the West Midlands and at Birmingham International Airport. Our clients wish to incentivise and thank agents who sell the USA on their doorstep. The USA is easily accessible with daily flights from Birmingham and we hope this unique opportunity will increase sales for the peak booking period of January 2010."
